Education

BSc Computer Science, York University

September 2020 - expected December 2024

- **Courses:** Advanced Object-Oriented Programming (Java), Computer Organization, Introduction to Database Systems, Fundamentals of Data Structure, Operating System Fundamentals, Software Design

Skills

- Programming Languages: **Java, JavaScript, C, Python**
- Frameworks/Tools: **HTML, CSS, SQL, JSON, React, Spring, Flask, Git**

Projects

Personal Website

March 2023 - Present

- Developed a personal website using **HTML, CSS**, and **JavaScript**, featuring a sleek online presence with descriptions of 4 key projects, skill sets, and a personal bio.
- Enabled 'Contact Me' email submissions, yielding 1/3 contacts per visitor, boosting collaborations.

Budgeting System Application

Jan 2023 - April 2023

- Developed a **Java-based** budgeting tool with a team of 5, using **JSON** and focusing on **OOP** principles
- Leveraged **Agile** methodology to speed up feature updates, enhancing user satisfaction.

Fitness Club Database Management System

July 2022 - August 2022

- Built a C-based fitness database with **pointers, memory allocation**, and self-referential structures.
- Added 6 features (create, remove, update, sort, clear, display) to enhance functionality and efficiency.

Hospital Management System

March 2022 - April 2022

- Developed a Java-based virtual hospital management system, managing 500 patients, 70 physicians, 3 physician administrators, 150 volunteers, and 1 director.
- Implemented OOP principles (**inheritance, polymorphism, encapsulation, exception handling**) and unique record management for efficient patient admission/discharge and staff hiring/resignation.

Volunteering Experiences

Canada Learning Code

September 2023 - Present

- Volunteering as a mentor at Canada Learning Code, aiding a program that's engaged 977,000 learners and delivered 11,000 educational coding events.
- Ensuring a positive learning environment for 4-5 learners by answering questions.

Work Experiences

Banana Republic, Toronto, Ontario

September 2023 - Present

- Providing outstanding customer service, contributing to a notable increase in store satisfaction.
- Drove a strategy that achieved over 90% customer registration for the reward program at cash register.

Browns, Toronto, Ontario

July 2022 - May 2023

- Operated as a cashier in the store to process customer transactions efficiently and accurately.
- Assisted customers in choosing suitable shoes, delivering excellent service with feedback over 80%.

Gap, Toronto, Ontario

September 2021 - December 2021

- Organized fitting rooms and hangers, enhancing the shopping experience for customers.
- Managed shipments to keep inventory above 20% with consistent monitoring and updates.
